Dress or “attire” as us horse people call it ... is casual ! If you need an excuse to spiffy up with some new fancy duds, go right ahead ! And if you can barely get chores done in time to get there, well dust off the hay seed and come join us as you are!

Inclement Weather

Even in case of inclement weather, we don't plan to cancel this event. However, should the need arise to cancel, we will do our best to get notice out on Facebook and other avenues.

Rooms

Available at the Satatoga Holiday Inn for \$109.00 per night.

Please reserve your room by January 12, 2018 by calling 518-584-4550 and use code **SHA**

Unable to Attend the Evening of Champions??

We sure hope you can come out for this fun evening! If you are not able to attend to pick up your award, we will be giving your award to your NYSSHA club representative unless other arrangements have been made.

We Need Your PHOTOS!!!

NYSSHA would love to include your photos from this past show season during a slide show at the banquet!

Please email any digital photos to: pictures@nyssha.org as soon as possible. We are looking not only for your “win” photos, but any candid scenes from the horse shows and gymkhanas!

Chinese Auction!!!

Great awards don't happen without great fundraisers – please help us offset the cost of awards for next year by donating something towards the Chinese Auction. Any items are welcome, they need not be a horsey item (although those are our favorites!). Please bring them with you to the banquet. And don't forget to bring a little extra cash (or the checkbook!) ... we will be selling tickets, to use for the Chinese auction items of your choice!
